Turkey Office

Neil & Max are still around & working 3 days a week from their Turkey office. They still come to the UK regularly, covering holidays and providing support to clients. Thanks to modern communications, they are both still available on Neil's usual phone extension, taking calls & orders when needed.

Feefo Platinum Trusted Service Award

We are beyond thrilled to have received the Platinum Trusted Service Award again from Feefo.

If you didn't know, Feefo is a renowned Customer Review system that only allows people who have a verified purchase to write a comment, which makes it more reputable and secure than other review systems out there!

We've received an average score of 5 stars out of 5 and can now post this in recognition of our effort and passion to provide the best Colloidal Silver, and top notch customer service on the market!

Royal Mail Postal Updates

I dont like to tempt fate but services seem to be back to normal at the moment.

We always include basic delivery in all purchases over £15 so that you have the choice to select the service you need.

Our continued Commitment to our Beautiful Planet

As many of you may know, we currently support the Woodland Trust to help fund natural carbon capture, an excellent way to combat runaway climate change. This means that every time you purchase any bottle of Colloidal Silver from us, part of the profits go directly to the Woodland Trust to further help them plant more trees! This is just the start of our efforts to push Britain forwards to a cleaner era. If you'd like to further help the Woodland trust in their wonderful mission, please click the link below to learn more and consider donating as well!

Laugh of the Month!
